Marketing Lab - 20 Minutes

(Limited to 2 Sponsors) \$3,000

The Internet Marketing Conference 20 Minute Lab Sessions are created to provide extensive visibility, credibility, and brand value. These sponsored sessions were designed to give attendees an up-close and personal look at how specific tools solve specific client problems. Attendees attend these two different business problem scenarios to see how the technology actually works.

These 20 Minute Lab sessions are limited to 2 across the entire event.

Your opportunity (and responsibility!) as a Lab participant is to pick a hot topic, advanced methodology or innovative application, frame it, and demonstrate – live – how your solution excels in that arena.

IMC has introduced this Lab series to help attendees bring strategies to life.

Expectations, Rules & Guidelines for Participating Vendors

These sessions are unique in the events space, allowing you to showcase your solution in a non-sales environment. Lab sessions include:

- A practical, live demo – not a canned presentation.
- State the core business challenge that most attendees face. This is an explanation of the COMMON business problem/opportunity. This portion of the presentation is generally 5 minutes. (1-2 slides)
- Present a documented use case or case study on that issue.
- Illustrate your approach to solving the problem with your technology. This goal is to provide an example of how your technology is being used to solve the business problem/opportunity discussed. Ideally, the presentation will correspond to a DOCUMENTED CASE STUDY/USE CASE that can be distributed to IMC attendees ahead of the Summit. (Live software demo – no slides)
- You are encouraged to bring a client to co-present. Your client will receive Speaker status at the Internet Marketing conference which means a bio on the website and in the printed Show Guide as well as a full, two day pass to the event.

EDITORIAL REQUIREMENTS: 20 Minute Lab sessions must be approved by the Conference Chair. To be considered, please submit at your earliest convenience a session title, session description and complete speaker bio to Marilyn Reed. The review process may also include a phone conversation and a review of your PowerPoint.

- Sponsor can leave behind literature.
- ¼ page advert in the show guide to promote Lab.
- 20% IMC registration discount code for your clients.
- Logo on Website and in Show Guide as Lab Sponsor.
- Electricity, Internet Connection, Projector provided
